

WARD 103: ASSAGAY: ENVIRONMENTAL MANAGEMENT CENTRE

Address: 4 Kangelani Way, Assagay
Ward: 103
Client: EPCPD
Contract Period: Aug 2014 – Present
Contract Value: R2.6million

The EPCPD has requested the Architecture Department's assistance in the design and implementation of an Ecology Operations base in Assagay in the Outer West District. The base will be the central operating point for field teams that respond to the protection of the City's natural environments in the district and perform functions such as removal of alien vegetation, burning fire breaks (as part of national government's "Working-on-Fire" initiative) and maintaining protected ecosystems through human intervention.
