## PUBLIC NOTICE

### NOTICE OF APPLICATION FOR SCOPING AND EIA

Notice is hereby given that an application for environmental authorization in terms of the EIA Regulations, 2006 (Regulations in terms of Chapter 5 of the National Environmental Management Act, 1998, as amended) has been lodged with the Department of Agriculture and Environmental Affairs. The proposed activity requires application subject to scoping and EIA and all interested and affected parties are invited to register with the contact person below within 14 days of

the issuing of this notice. eThekweni Municipality proposes to extend the Argyle Road pier-culvert further into the surf zone. The project would involve extending the pier-culvert from its current position by approximately 60 metres further out into the surf zone where sand will not obstruct the outfall. The pier culvert extension will follow the same design as the existing pier culvert and will lie on a bed of precast concrete piles that will be driven into the seabed. The damaged areas of the existing pier culvert will be repaired as part of the extension process. A public meeting

will be held for registered interested and affected parties on the 24th of June 2008. Registered interested and affected parties will be given information regarding time and venue once numbers are confirmed. Representations with respect to this application may be made by phone, fax or e-mail to the contact person below. Kerry Seppings Environmental Management Specialists cc
