

ETHEKWINI MUNICIPALITY
Environmental Planning and Climate Protection
Department

PQ No.: 7N-19858

The Environmental Planning and Climate Protection Department (EPCPD) requires the services of a helicopter service provider. The intention is to fly over the river systems of the eThekweni Municipal Area and specific land based sand mining operation to provide a visual of the environmental devastation caused by illegal/legal sand mining operations. Specific requirements include: seats for 3/4 EPCPD staff members per session (2hr: 30min per session), 2 days (approximately 5 hours flight time each day), a geo-referenced flight path, and flexibility in terms of flight dates in order to maximize conditions that would be ideal for still photography.

A detailed Terms of Reference for this appointment can be obtained by contacting: Crystal Naidoo Crystal.Naidoo@durban.gov.za , 031 3224303 or Peron Amein Peron.Amein@durban.gov.za , 031 311 7553.
