Call for Proposals: Woza eNanda Children's Wilderness Sensory Garden Project

The Economic Development and Investment Promotion Unit of the eThekweni Municipality) is calling for proposals from suitably qualified company to design, construct and install a sensory garden for young and special needs children as a part of its Inanda Children's Wilderness Project.

The main outcome of the project should be:

- Consult the project team to ensure agreement on the desired outcomes
- Produce design drawings and a materials schedule for each installation based on the conceptual schedule.
- Supply the materials
- Construct and install, with local resource participation in accordance with the site layout plan.
- Produce a maintenance plan containing recommendations for maintains of the installations.

The successful bidder is likely to:

- Be an individual or company or consortium with demonstrated professional background and experience relevant to the project.
- Demonstrate a good understanding of the project requirements and a creative approach to the implementation of the project.
- Be able to supply a minimum of three traceable references related to the scope of work required.
