CALL FOR PROPOSALS: INANDA CHILDREN'S WILDERNESS NATURE STREAM PLAY AREA

The EThekweni Economic Development and Investment Promotion Unit is calling for proposals from suitably qualified and experienced companies to Design and Environmental Engineering of the "Nature Stream Play Area" with strong emphasis on water cleanliness

The main outcome of the project should be:

A production of an implementation plan to create a stream based children nature experience in combination with water cleanliness assets for the demarcated Nature Stream Play Area. The service provider will deliver all steps from the planning and design phase to the management of first implementation steps. Moreover: implementation of all water cleanliness modules.

The service provider should:

- Be an individual or company or consortium with demonstrated professional background and experience in the fields of river health and water quality, wetland rehabilitation, preferably also in (water related) playground design.
- Be experienced in working with local community groups in South Africa
- Be able to supply a minimum of three traceable references related to the scope of work required.

For enquiries and to receive the Terms of Reference please contact Nompilo Buthelezi nompilo.buthelezi2@durban.gov.za

Delivery Address for submission:
Corporate Procurement Department
133 KE Masinga Place
Durban

Submission deadline: 11H00 on Wednesday 14th February 2018
