4. Service Methodology

Coffee Services

The service provider/s will be required to outline their methodology specific to set-up / layout of the catering area (front and back-of-house), the flow and service specific to the catering service they are tendering for.

The service provider will need to prove and ensure the highest quality food operations will be co-ordinated and managed on a professional level, ensuring efficient service and optimal turnover. They will need to indicate that they have the necessary equipment and staff incl. refrigeration required to hold stock for such large events.

Different methodologies will be considered for the different catering services. This methodology will be heavily weighted for the evaluation process to ensure there are no / limited service lapses and the risk of substandard food offering is eliminated.

5. Packaging Requirements

- All items to be packaged in 100% recyclable and/or 100% biodegradable packaging.
- No polystyrene is to be used.
- No cling wrap is to be used.

6. Preconditions
