**PQ: 7N-36125 CALL FOR PROPOSALS: INANDA CHILDREN'S WILDERNESS PLAY FURNITURE DESIGN
AND INSTALLATION**

The Economic Development and Investment Promotion Unit of the eThekweni Municipality is calling for proposals from suitably qualified company to design, construct and install play furniture for the Inanda Children's Wilderness Project.

The main outcome of the project should be:

- o Produce appropriately detailed design drawings for the construction of each installation noting the intention to use natural and recycled materials and ones less prone to theft wherever possible. The images shown in the attached schedule are conceptual and design modifications to improve the built outcome are expected where necessary. Any design alternations must however be approved by the client.
- o Source the materials.
- o Construct and install the play installations on site in accordance with the layout plan. The Client's Project Manager should be involved in the preparation for construction with a view to involving local primary and high school children in elements of the construction and installation in so far as is possible. The client also has a locally sourced labour team that should be used for construction and installation, as far as possible. This is an off budget resource.
 - Specify for the separate landscaping contractor, the nature of the surface beneath and immediate surrounding each play installation considering both aesthetic and safety reasons, (eg. Sand, grass, stone etc), as well as the general intention to retain the natural environmental state of the overall site.

The service provider should:

- Be an individual or company or consortium with demonstrated professional background and experience relevant to the project.
- Demonstrate a good understanding of the project requirements and a creative approach to the implementation of the project.
- Be able to supply a minimum of three traceable references related to the scope of work required.

For enquiries and to receive the Terms of Reference please contact Nompilo Buthelezi at nompilo.buthelezi2@durban.gov.za.
