Request for Proposal:

PROFESSIONAL & PROJECT MANAGEMENT SERVICES FOR THE DURBAN INVESTMENT PROMOTION LOCAL INVESTOR SUPPORT PROJECTS

1. Introduction

According to the eThekweni Municipality's vision for the year 2030, the city is striving towards achieving the reputation of being Africa's most liveable city. In order to achieve this, they would need to promote economic growth and obtain higher standards of living. This project aims towards achieving this through Local existing Investor support which relates to the Enterprise and Sector Development.

The eThekweni Municipality's Economic Development and Investment Promotion Unit seek Professional & Project Management Services for the Durban Investment Promotion Local Investor Support Projects, for a maximum period of 6 months with an availability of 40 hours per month, in order to finalise and implement:

1.1 Local Existing Investor Support Projects;

2. Background Information

eThekweni Municipality classified into five major economic sectors; namely financial services, manufacturing, logistics, community services (inclusive of all three spheres of government) and lastly retail and wholesale trade. Durban's economic history has on numerous occasions demonstrated that growth in the logistics and manufacturing sectors have a positive impact in the other three sectors of eThekweni's economy. In addition the low levels of skilled labour in eThekweni dictate that in order to reduce unemployment radically, there needs to be significant growth in the manufacturing sector.

International best practice has on countless occasions demonstrated that a well-structured and resourced Local Investor Support strategy and plan has a positive impact on economic growth and job creation.

In wishing to do so, the City understands that there are no "quick fixes" or easy formulas for creating sustainable employment. Instead it takes a range of initiatives, which build steadily on local advantages and opportunities over a long period of time. These usually include actions to help existing business to grow and show that the contribution it makes is appreciated and that the City's rates base is expanded.

International research shows that when this is done:

- from **60% to 80% of all new jobs** are created by the growth of existing businesses,
- they provide most of the investment for new local economic initiatives,
- they generate ideas for new businesses,
- they play a vital part in encouraging outside businesses to relocate or establish within their community.

3. Purpose and Objective of Project

- Creating jobs through investment in infrastructure, services, land reform
- Retaining and growing existing business
- Establishing new local business
- Attracting investment and resources
- Plugging the economic leaks
- Investing in "soft infrastructure"
- Marketing, & attracting visitors

4. Scope of Project

The service provider is expected to:

Management & implementation of the Durban Investment Promotion Local Investor Support Projects encompassing:

- The BR&E (Business Retention & Expansion) partnership project
- The Key Investor Business Engagement Strategy & Action Plan.
- Flagship Existing Investor Project support and facilitation.

- Supporting Durban investment marketing via various channels.
- Investment project management
- Manages processes associated with Service Provider contracting and, resolves conflicts and/ or defends actions relating to complex local investment promotion & economic development projects
- Manages Projects' operating expenditure budget, leverages in external financial support, plus the consolidation of project financial performance information relating to various local investment promotion projects
- Engages and addresses the information requirements and responses with regards to local existing investor projects at various stages of the project cycle
- Investor enquiry management & relationship management

5. Tasks and Duties

The Service Provider is required to be consistently available in order to finalise:

- **BR&E Program Launch in newly targeted area**
 - New Program area launch
 - Businesses engaged & Survey Report Back done by Year End
- **Re-capacitate & Re-activate the Existing Business Investor Engagement Strategy & Action Plan**
 - To have begun an activated campaign of engaging with/presenting to selected Key Investors by Year End

- Demonstrate knowledge and the inter-relationship amongst the main sectors operating in the eThekweni Economy
- Ability to communicate and engage with multi-disciplinary stakeholders that influence investment destination marketing
- Research and investment information gathering capacity

7. Milestones and Timeframes

It is suggested that the Project be started by 4 January 2016 and finish by the 4 July 2016. Our target time is to begin no later than the 4 January 2016.

- Apply investment promotion & economic development principles to define/source relevant market intelligence, feasibility studies & other research information to support the development of local BR&E project proposals/plans for complex BR&E projects with diverse sets of interacting variables.
- Develops & manages the key processes of leveraging external funding, contract management and the appointment of professionals, plus local investor project management, financial support/control and risk evaluation.
- This includes strategic partnerships, stakeholder relationship management, project communication and conflict resolution in order to ensure key local BR&E investment promotion & economic development projects related to a specific sector, node, corridor or current Investor are scoped, planned and implemented in accordance with broader economic growth objectives of the City.
- The quality and professionalism of the local investment promotion & facilitation has to have a positive impact on more sustainable development. This all done in order to ensure accelerated local investment in line with the IDP & SDBIP plus other strategic initiatives of eThekweni Municipality.

8. Meetings and Presentations Required to be Undertaken

The appointed service provider will be required to attend meetings at Council to discuss the requirements for the project. Meetings will also be held to discuss the progress of the project at intervals to be specified upon appointment.

The service provider may also be required to present the draft material to Council upon sufficient notice.

9. Proposal and Financial Issues

All interested service providers should submit a proposal that displays an understanding of the requirements of the project. The proposal should include a project plan which consists of a cost breakdown as well as timelines, keeping within the deadline specified in these terms.

In addition, service providers are required to submit a list of all team members that would work on the project as well as a one page CV on each member. Please note that the appointment will be made in terms of the Council's Procurement Policy.

The following requirements must be adhered to as part of the tendering process:

C. CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

MBD 9 CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

in response to the invitation for the bid made by:

(Name of Municipality / Municipal Entity)

do hereby make the following statements that I certify to be true and complete in every respect:
I certify, on behalf

of: _____ that:
(Name of Bidder)

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
6. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
 - a) has been requested to submit a bid in response to this bid invitation;
 - b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - a) prices;
 - b) geographical area where product or service will be rendered (market allocation)
 - c) methods, factors or formulas used to calculate prices;
 - d) the intention or decision to submit or not to submit, a bid;

- e) the submission of a bid which does not meet the specifications and conditions of the bid;
Or
- f) bidding with the intention not to win the bid.

8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.
