Background

The Durban ICC is one of the most advanced conferencing facilities in the world and hosts a variety of events including conferences, meetings, exhibitions, concerts and private events both on a national and international level.

Purpose of the request for proposal

The Durban ICC requires a service provider for the provision of Carpet cleaning services, for a period of three (3) months, commencing 01 October 2018.

The service provider is required to provide a fully trained and equipped on-site carpet cleaning specialist team to clean all carpets in and around the venue and the office areas.

General Overview:

The carpeting in the public foyers area's as well as in the halls are of a high grade "Hospitality" type and modular in installation.

The textile was manufactured by BELGOTEX under license and comprise of approximate twenty thousand (20,000) meters square in extent. The known types are:

- Needle punch in Main Halls
- Milliken in foyer and concourse / various meeting rooms
- Entry Barrier matting

The Milliken carpets require the highest standard of cleaning / restoration.

It is required that the carpet be maintained, serviced as well as managed in accordance with the manufacturers requirements to maintain condition, appearance and uniformity.

It is advised that this process entails the utilization of:

- special upright vacuum / brushing combination
- dry polymer method of cleaning
- edge management,
- spot removal
- entry barrier cleaning
- disaster recovery
- provision of the necessary cleaning medium, fluids and equipment
- the use of a Liberator extractor vacuum for dry extractions.

Specific Maintenance Requirements prohibit / exclude:

- Use of chlorinated or solvent based cleaning agents
- Exposure to substance or contaminants which destroy or degrade colour.
- Inappropriate maintenance methods
- Use of spin bonnet/pad circular brush cleaning
- Non-SABS (or equivalent) approved products , and
- Any other chemicals, applications or procedures which will cause damage to the carpets

3. Mandatory requirements

Does the service provider comply with the mandatory requirements, as listed below? Please acknowledge as illustrated:	Yes	No
	✓	X
<ul style="list-style-type: none"> • The service provider must have at least 3 years requisite experience providing carpet cleaning services to entities. Please attach 2 positive references from clients serviced.

<ul style="list-style-type: none"> • The service provider must pay their staff in accordance with the sectorial determination for the Contract Cleaning Sector as governed by the Department of Labour. Please attach proof of Bargaining Council registration. 		

Failure to comply with all of the mandatory requirements, as illustrated in the schedule above, will result in the service provider being deemed non-responsive and not evaluated further.

4. Quality Criteria Scoring

- The scoring methodology will be based on the logarithmic 0, 40, 70, 90 and 100 approach.
- The scoring will be undertaken by three (3) independent officials of the Durban ICC.
- The scores allocated by these officials will be totaled and thereafter averaged to obtain the final score for quality.
- The Service providers must score at least 70 percent in the first evaluation stage in order to be deemed "responsive" and considered for evaluation in the second evaluation stage based on price and empowerment calculated on the 80/20 accreditation system.

The quality criteria and maximum score are as follows:

Quality Criteria	Weight
• Tenderers Experience	30
• Managerial Expertise	30
• Approach and Cleaning Methodology	40
Maximum possible score for quality (Ms)	100

4.1 Tenderers Experience

The service provider is required to submit minimum two (2) detailed references from clients serviced, which will be used during the quality criteria scoring process.

Kindly ensure the references are adequately detailed, taking into account the key elements, as illustrated in the guidelines to follow.

It is the service provider's responsibility to ensure that the references received are sufficiently detailed in order to achieve the minimum required number of points.
